The user stories

1. As a user, I want to see photos of the hotel so that I can get an idea of what it looks like.
2. As a user, I want to be able to see the prices of the rooms so that I can choose the best option for me.
3. As a user, I want to be able to see the location of the hotel on a map so that I get a feel for where it is.
4. As a user, I want to be able to see reviews of the hotel so that I can get an idea of what other people think of it.
5. As a user, I want to narrow down the hotel listings by price range and star rating, so that I can easily find the best option for my needs
6. As a user, I want to be able to easily find contact information for the hotel so I can get in touch with them.
7. As a user, I want to be able to compare hotels side-by-side so I can find the best one for my needs.
8. As a user, I want to see recommended hotels at a fair price, so I can explore more options that suit my needs.
9. As a user, I want to be able to choose the type of property it is, so I can choose the type of accommodations I am interested in.
10. As a user, I want to be able to be able to reserve rooms depending on how many guests are with me, so that everyone on the trip has a place to sleep.
11. As a user, I want to see a list of amenities provided by the hotel so that I can determine if it meets my specific needs.
12. As a user, I want to be able to see the availability of the rooms to make better informed plans regarding my trip.
13. As a user, I want to be able to view the hotel's cancellation policy before booking so that I understand the terms in case my plans change.
